PROFESSIONAL EXPERIENCE

Kara has been in the commercial real estate brokerage business for seven years. During Kara's experience, she has specialized in corporate services, tenant representation, landlord representation and transaction management. Currently, Kara's main focus is providing corporate services to her client, the state of Indiana. Kara manages lease portfolios for several state agencies including Family Social Services Administration-Department of Vocational Rehabilitation, Division of Family Resources, and Bureau of Developmental Disabilities Services, as well as the Bureau of Motor Vehicles. Transaction management for these agencies include site selection, lease negotiations and lease administration.

EDUCATION

Kara holds a B.S. in Management from the School of Public and Environmental Affairs from Indiana University.
