**RESOURCE COMMERCIAL REAL ESTATE REPRESENT TENANT,  
LANDLORD IN NEW LEASE FOR WALKER INFORMATION**

(INDIANAPOLIS) – Kara Riggle, of Resource Commercial Real Estate, represented the landlord, Tharp Investments, and Samuel F. Smith II, of Resource Commercial, represented Walker Information in their lease of 6,276 square feet of office space located at 6910 North Shadeland Avenue, Suite 210, in Indianapolis, Ind.

The space provides Walker with a visible and convenient location to host focus groups, conduct concept testing, and provide other market research services. This builds upon Walker’s expertise in helping companies develop and improve their products and services.

“We required a convenient location for thousands of local consumers to provide insights and opinions in focus groups, product tests, mock jury trials, and other programs. Our new location builds upon almost 70 years of experience in Indianapolis helping business to better understand customer needs,” said Randy Shoemaker, Executive Vice President, Walker Information.

Walker recently opened a separate location on the north side of the city to provide customer strategy consulting services to their long list of large, corporate clients based in a variety of locations around the globe.

“Kara did a great job finding a good tenant for the building,” said Don Tharp. “We are very excited to have Walker Information join us at Park Avalon.”

Tharp Investments manages more than 1.2 million square feet of commercial, retail and office real estate developments throughout Indiana.
